## CLIMATE RESILIENCE, POWERED BY NATURE

**THINK TANK on Saturday 11 October**

1.00-2.30pm WA | 2.30-4pm NT | 3pm-4.30pm Qld | 3.30- 5pm SA  
4-5.30pm Vic, Tas, NSW, ACT | 6-7.30pm NZ

Join Charlotte Sterrett from WWF-Australia to explore *Climate Resilient by Nature*, an Australian Government and WWF initiative restoring ecosystems, strengthening livelihoods, and building climate resilience across the Indo-Pacific.

Hear success stories, see how global partnerships drive change, and discover how you can support nature-based solutions—locally and globally. Be inspired by what's possible when people and nature work together.
