Earth for All: Could gender-equal climate justice stop wars and conflicts?

**Sunday 9 November
10 am UTC**

Wars fuel climate change and deepen inequality—but can gender-equal climate justice help stop conflicts?

Join Zontian Lyubov Maksymovych (Luba) from Ukraine and YWLA D27 winner Hadise Jafari, originally from Afghanistan, and Dr Elizabeth Kostas-Polstan, US Air Force veteran nursing specialist, as they share powerful perspectives on women's roles in shaping peace, equality, and a sustainable future.
