

Zonta Says NOW Australia

WHEN DISASTERS HIT, GENDER MATTERS

THINK TANK on Saturday 14 February

1.00-2.30pm WA | 2.30-4pm NT | 3pm-4.30pm Qld | 3.30- 5pm SA
4-5.30pm Vic, Tas, NSW, ACT | 6-7.30pm NZ

How can gender-smart disaster action shape stronger, more resilient communities?

Dr Margaret Moreton, CEO of Gender and Disaster Australia, brings decades of experience and a passion for reducing gendered harm before, during and after crises. She'll share clear, practical insights on strengthening resilience and preventing violence.

Don't miss this chance to learn how inclusive disaster practice can drive real, lasting change.
