MARCH ZOOM MEETING AGENDA
Saturday 20 March

The Green Army is Looking Good!

It has been a hectic and enjoyable couple of weeks with many International Women's Day events providing the opportunity to hear great speakers and meet like-minded people. I hope you were all able to take some time to celebrate women's achievements and feel invigorated to respond to the ongoing challenges facing too many women and girls around the world.

The Zonta Says NOW News is also on its way, so look out for it in your inbox, or find it on our website in the next couple of days.

My take-home messages from events this year are that we need to halve greenhouse gas emissions and achieve gender equality by 2030. We need an army to do this...

Today, I found out that the word for a group of frogs is an 'army' - so I reckoned the picture above must be a 'green army'. With Zonta Says NOW we are a little like the frogs in the picture: we are supporting each other as we venture out on a limb...with our eyes wide open to what is happening around us!

Many thanks to all those that responded to the Think Tank Survey. Judging by your responses, you seem to be happy with how the Think Tank is progressing, and it was great to receive some good ideas. When I transcribed the responses, I realised that the free version of Survey Monkey does not tell you who had submitted the survey. So I hastily added a question asking for email addresses, but this was too late for most submissions.

Therefore, if you had said yes to doing a female climate leader profile, could you please email me?

I've collated the survey responses and listed some actions, and these are all in this document. Please have a look through it so, if you have any queries, we can discuss them at the next meeting.

Please be ready to share any ideas/initiatives that could be useful for others to try.

The Zoom meeting details and agenda are shown below. Can you please confirm if you will be attending by clicking the button below?

Looking forward to catching up with you on Zoom on Saturday!

Kind regards

Carole
