May Think Tank Notes

What's been happening?

We have been busy bees in the last few weeks, with clubs ramping up their activities.

Many clubs are coming out of Covid hibernation with apologies received as the Think Tank clashed with fundraising events, birthing kit assembly days, breast care cushion workshops, helping with state elections, and Zontians making the most of their freedom by visiting friends and family.

We were a select group of seven on Saturday - and it was lovely to share our news and views - and frustrations following the Earth Day summit!

As usual, I have uploaded the meeting notes to the Think Tank - meetings area of the website. Key actions are shown in the yellow call-out boxes. Please let me know if I have missed anything!

Following our Think Tank discussions, I have reviewed the publications and created a format for our information documents that can be read on-screen or be printed if necessary. They are all in the publications area of the website - so please have a look - as they are different to the versions shown in the Think Tank notes.

You will notice that the Publications page has been split into Leaflets/Information and Newsletters. This should make it a bit easier to find information.

Not wanting to miss out on the momentum gained from the Area Workshops, I have uploaded a 27-page pdf booklet of the slides and notes to the new Leaflets and

Information page. The presentation is called *Our time, our century* and it is at the bottom of the page.

There are a few snippets that I have yet to include in the Think Tank tools, so please pop back to the site when you are preparing for club meetings or doing newsletters etc.

Next meeting

Our next meeting is booked for Saturday 19 June, so please put the date in your diary now. The times are 1 pm in Western Australia, 2.30 pm in South Australia and 3 pm in Victoria and Tasmania.

Here is the link https://us02web.zoom.us/j/89992465651

Don't forget to share your news so we can post it from the site between meetings.

Thank you all for your ongoing support!

Kind regards

Carole
