ZOOM MEETING AGENDA
Saturday 19 June 2021

The Ups and Downs of Climate Action

This chimp reminds me of just how much my brain can hurt as I absorb new information about gender equality and climate action!

A lot has been happening in Zonta International with the release of the ZI Climate Change Statement, the latest Zontian magazine, and the Present for the Future toolkit. We have also seen landmark court cases around the world and now the G7 meeting.

For this month's Think Tank, I'd like you to provide feedback in three areas:

1. Your personal roller coaster ride.
A couple of weeks ago, I was privileged to attend the Perth launch of Jonica Newby's latest book, Beyond Climate Grief. The book explored the emotional journey of climate change and prompted me to use our next meeting to reach out to everyone in the Think

Tank to see how we are travelling. Jonica's experiences reminded me that climate anxiety could hit anyone at any time - and we need to help each other through it.

Before our meeting on Saturday 19 June, could you please think about three questions concerning your climate journey:

1. What has been your highest point?
2. What has been your lowest point?
3. What has helped you to navigate your emotional roller coaster?

2. Draft Survey of D23 members.
At our last meeting, we discussed surveying members of District 23 about gender equality and climate action. A draft survey is attached to this email that will be put into a Survey Monkey style format later. I would appreciate you going through it and emailing back any comments you may have - or raising any comments at the meeting. It is a starting point and I'd appreciate your feedback to make it as useful as possible!

3. Club update.
How did you / your club receive the Zonta Says Now presentations at the Area workshops? Are you doing any activities that could touch, move and inspire other Zontians? Does your club have a climate champion?

The Zoom meeting details and agenda are shown below. **Can you please confirm if you will be attending or not by clicking the relevant button below?**

If you cannot attend the meeting, could you please email your responses to the roller coaster questions, draft survey, and club updates to zontasaysnow@gmail.com.

Looking forward to catching up with you on Zoom on Saturday!

Kind regards

Carole
