International Vice President to join our next meeting!

We have just had confirmation that Salla Tuominen, International Vice President, will be joining us for our next Think Tank meeting - **which will now be held on Saturday 14 August.**

Salla led the team that developed the Zonta International Statement on Climate Change: A Gender Equality Issue and will share the journey to develop it.

Salla is from the Zonta Club of Helsinki I, Finland, District 20 and on her Facebook page, she says:

My main driver for being a Zontian is not to tolerate the existing injustice. As a Zontian, I can make a difference and do something to change the world to improve the status of women and girls—not just to think or talk about it. The icing on the cake is the possibility to meet women around the world sharing Zonta's mission!

We are honoured to put the 'icing on Salla's cake' and look forward to hearing more about her experiences. It sounds like an opportunity to have cake at the Zoom meeting!

In recent months, we have noticed that clubs are ramping up their activities which is wonderful. Therefore, from now on, Zonta Says NOW Think Tank meetings and newsletters will be bi-monthly to accommodate our overflowing diaries.

I've received some feedback on the survey and will send it out this week. We can discuss the findings at our August meeting.

At the last meeting, we agreed to start meetings an hour later. See updated details below.
