ZOOM MEETING AGENDA
Saturday 14 August 2021

It's all happening!

We have a treat this month with two special speakers!

It is our absolute delight to welcome Zonta International Vice President Salla Tuominen. Salla is based in Finland and will be sharing her story of leading the team to develop the ZI Statement on Climate Change.

With ZI District 23 Liaison Florence Fischer joining us from Luxembourg, this meeting will be a truly international event crossing five time zones.

We will also be joined by Isaac Goddard from the School Strike 4 Climate Group. Isaac will tell us more about this inspiring group and their recent Federal Court case that found the Federal Environment Minister had a duty of care to young people when making her decisions.

We had a wonderful response to the Zonta Says Now survey with over 170 submissions, and we will share the findings with everyone at the meeting.

Have you booked for the District 23 Conference in Bendigo? It is only a few weeks away, and we will get an update on how arrangements are progressing from Conference co-convenor Jane Adornetto.

Please confirm if you will be attending the Think Tank meeting on Saturday by clicking the button below and note your State/Country times.

Today's IPCC report has highlighted the urgency of our work - so let's get moving to create the future we want to live in!

See you on Saturday.

Kind regards
